

DIGITAL MEDIA Academy[®].org

Ranked One of the Ten Best Summer Camps in the World!

Life-Changing Experience

DMA inspires kids' confidence and creativity with STEM (Science, Technology, Engineering & Math)-based learning.

Separate Instructional Staff

Unlike other camps, DMA's instructors don't become camp counselors or activities directors after teaching all day. DMA's instructors are 110% focused on teaching.

Hot Technology Courses

Including Popular Minecraft™ Java Coding & Modding Camps. Kids and teens get real-world, hands-on learning experiences in subjects like filmmaking, 3D art and animation, video game design, app development, computer programming, and more!

The Best Tech

DMA is partnered with Apple®, Canon, Adobe® and other Fortune 100 tech companies to provide the best learning experience with the latest software and equipment.

iPHONE[®] & iPAD[®] APPS

MINECRAFT[™] MODS

DIGITAL FILMS
